

## **Ms Condoleezza Rice**

Adriana Pérez and Olga Salanueva are the wives of Cuban political prisoners Gerardo Hernández and René Gonzalez who are prohibited from seeing them while they are imprisoned in the United States since 1998.

This situation has done that little Ivette González, daughter of René and Olga, is also prevented from seeing her father, as she can't travel with her mother.

We ask you to authorize those families to meet again.

Respectfully

Absender:
